Re: Docket # 8466 and 7/19/05 Agenda Item # 9

Your Honor

I am requesting as much time allowed to  
this matter to make a thorough claim. I am  
restricted by the prison system to collect  
documentation for my claim.

Also I do not have the resources that the  
W.R. Grace/Co has and I have a documented  
(Bi-Polar) disorder that puts me at a great dis-  
advantage, I am asking the court to appoint  
me an attorney to assist me in this matter  
Thank you.

Thank you for your attention in this matter.

Sincerely

Dear Mr. Palazzo:

This letter is in response to your recent inquiry for legal assistance.

An attorney has reviewed the information you have given us. I regret to inform you that the AFA Center for Law & Policy is unable to provide legal representation. As a general rule, the Center accepts for representation only cases where government entities have infringed upon rights of free speech or free exercise of religion.

Our inability to help you is the result of the fact that your situation is beyond the scope of our first amendment litigation. If you believe certain rights are being infringed, we recommend that you contact the Christian Legal Society (CLS) for referral to a private attorney in your area. The address for CLS is 4208 Evergreen Lane, Suite 222, Annandale, Virginia 22003. The telephone number for CLS is (703) 894-1077.

Sorry we could not assist you.

Very truly, ~~yours~~

Re: Request for Legal Assistance

Dear Sir or Madam:

We received your letter, asking for our help, information, or legal advice. Unfortunately, we cannot help you at this time. We receive many more requests than we can possibly handle. We must choose our cases very carefully to ensure that we use our limited resources in the most efficient way.

This means there are going to be many cases that have merit that we cannot pursue, and cases in which we cannot provide requested information or advice. This is unfortunate but necessary, given the large number of cases and requests we handle. We do not like the fact that we can't help everyone who writes. Please understand that our decision not to help does not necessarily mean that you do not have a real problem or worthy case. It is just that we have a small office and can't help everybody who writes.

To help you determine whether your case is worth pursuing on your own, we have enclosed any self-help material that is relevant to your problem. If no material is enclosed, we do not have any helpful information. You may be able to find useful information in the California State Prisoners' Handbook (3<sup>rd</sup> Edition) published in 2001. Ask for the Handbook in the prison law library. If you want information on how to order a copy of the Handbook, write to us.

We are sorry that we cannot help you. We hope that in the future we will be able to expand our services to help more prisoners throughout California.

Sincerely,

Prison Law Office

Re: CA Department of Corrections

Dear Mr. Palezzo:

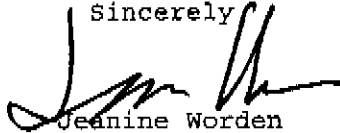

This letter is in response to the complaint that you filed with this office alleging a possible violation of the Americans with Disabilities Act (ADA). The Disability Rights Section reviews individual complaints filed by persons under title II of the ADA.

After carefully reviewing the information that you provided, we have decided not to take any further action on your complaint. Unfortunately, due to the hundreds of title II complaints that we receive each year, we do not have the resources to resolve all of them. We have made no determination regarding the merits of your complaint or whether it could be redressed under the ADA or another statute. Moreover, our decision does not affect your right to pursue your complaint in another manner. You may wish to contact an attorney or legal service to determine what remedies may be available.

We have enclosed a list of agencies and groups in your state that may be of some assistance to you. If you have access to the internet, the text of the ADA, the Department's regulations, and many technical assistance publications are provided on our ADA Home Page at <http://www.ada.gov>. If you have specific questions about title II of the ADA or want copies of technical assistance publications sent to you, you may call the ADA Information Line at 800-514-0301 (voice) or 800-514-0383 (TTY).

We regret that we are unable to assist you.

Sincerely
